

## The 4th Annual National Traditional Medicine Research Conference (ANTRAMEC) 29th - 30th August 2017 at Hotel Africana

### CALL FOR ABSTRACTS AND POSTER PRESENTATIONS

Over sixty percent of the Ugandan population use traditional medicine for primary healthcare. It is apparent therefore that the integration of evidence based traditional and complementary medicine into the national healthcare system has the potential to augment, strengthen and promote better healthcare for all.

THETA-Uganda and partners are organizing the 4th Annual National Traditional Medicine Research Conference (ANTRAMEC) and Exhibition to take place at Hotel Africana, Kampala, Uganda from 29th to 30th August 2017.

#### Conference Theme:

“Harnessing the potential of Traditional Medicine to accelerate Universal Health Coverage”.

THETA Uganda and partners therefore call for abstracts on traditional medicine research and also invites traditional health practitioners to present success stories on use of traditional medicines for treatment of diseases.

#### Key note speaker:

**Prof Gibson Sammy Kibiki**  
*Executive Secretary, East African Health Research Commission*

#### Major Thematic Areas for Abstracts:

Authors are invited to submit research articles and/or success stories on Traditional medicines.

#### The key thematic areas include:

1. Ethnobotany research
2. Clinical and preclinical studies
3. Case studies of success in treatment of common diseases using traditional medicine
